

Framework for Lesson Plans

1. Identify short story or topic for unit of instruction.
2. Level the text as needed through Chatgpt (optional)
3. Identify Vocabulary Words
 - a. Pull words with Latin Roots to create Latin Root Puzzle Worksheet (Morphological Analysis)
 - b. Pull words with suffixes or prefixes (Morphological Analysis)
 - c. Pull words to work with Phonological Awareness in Phoneme Folders
 - d. Create word ladder that teaches a high need phonics rule
4. Create Journal Prompts for initiating the reading(s).
5. Create Discussion Questions for post-reading (Use RULER approach to generate questions if appropriate)
6. Grammar/Punctuation
 - a. Pick a skill in this category and create at least 1 worksheet per unit.
7. HISET Writing WS - If the readings or unit lends itself to persuasive writing create a writing task to practice the essay format. (This can be leveled down to 1-3 paragraphs instead of 5 paragraphs as needed.) (Integrate HISET Essay Format)

Tracking Progress

1. Pick 1 Reading Skill & 1 Writing Skill for each month based on Hiset Skills List.
2. Mastery Connect Pre-Test at beginning of Month & Post-test at end of month.
3. Essential Education in the middle of month to reinforce this focus skill if test available.
4. (Tentative Plans for Fastbridge Interventions: Teach phonics & monthly reading fluency tests.)
